

BMC locations are now ready to bill and scan. Watch these videos for Cerner and QPATH training!

Hello everyone!!! Great News! 2 new videos!! So grab your popcorn and get cozy so you can learn how to use each US machine and put the right patient info in for your study.

We have two machine models, so watch them both if you work at more than one facility (or just watch the one that looks like your location's machine).

HOW DO I PUT PATIENT INFO IN THE MACHINE???

Check out the DOCUMENTS tab in Shift Admin (tab at the top) - click on BMC Ultrasound - click on the document you want to open.

WHAT IF I HAVE QUESTIONS ON SHIFT OR ABOUT EDUCATION AND CREDENTIALING?!?!

no problem, call Matt Thompson or Sandra Jackson. We are always available
